Detailed Manual. Caring for your Watch. Our watches require minimal maintenance, but regular care will help extend the life of your Bulova timepiece. We recommend wiping your watch with a clean soft cloth regularly. Stains, water spots on straps, and accumulated dirt on the case, crystal, and band that are not removed may cause premature wear.

Having diagnosed the problem with my Bulova Accutron (the component coil has had it), I went on eBay and bought myself another broken Accutron - this one was humming, but didn't move the hands. An ideal candidate for my project... I take my "donor" watch apart and remove the coils. The one on the left is the component coil I need.
