Historians debating the origins of the American Civil War focus on the reasons why seven Southern states declared their secession from the United States (), why they united to form the Confederate States of America (simply known as the "Confederacy"), and why the North refused to let them go. While most historians agree that conflicts over slavery caused the war, they disagree sharply ...

Did You Know? Parlous is both a synonym and a derivative of "perilous"; it came to be as an alteration of "perilous" in Middle English. ("Perilous" is derived from the Anglo-French perilleus, which ultimately comes from the Latin word for "danger": "periculum.") Both words are documented in use from at least the 14th century, but by the 17th century "parlous" had slipped from common use and ...
