Who gave a shit why a wealthy family called the Weavers were indebted to us? Who gave a damn that they'd royally fucked off my family and earned the wrath of my ancestors? All I cared about was the news I'd inherited something more than just money, possessions, or titles. My twenty-ninth birthday gave me a pet. A toy.

Debt Inheritance is a unique story line. It is a little dark and gritty as is expected when you open a book by Pepper Winters. I love how she creates to people who are so opposite that they should never ever meet and makes them come together. She creates a world effortlessly and more importantly it is believable.
