After the proven success of the first four editions of Financial Accounting, the fifth edition will continue to motivate, engage, and challenge students. Paired with the market-leading power of the Connect platform, the Spiceland/Thomas/Herrmann author team will truly illuminate the financial accounting course for each student.

### **Financial Accounting 5th Edition - amazon.com**

Accounting can be classified into two broad categories: managerial accounting and financial accounting. Managerial accounting deals with the methods accountants use to provide information to an organization's internal users; that is, its own managers. It is not the subject of the course. The course focuses on financial accounting.
