Maybe One Day Melissa Kantor

Maybe One Day by Melissa Kantor - Goodreads

Readers experience Olivia's cancer through Zoe's eyes in this gorgeously written novel. Melissa Kantor strings together beautiful sentences in a manner that made *MAYBE ONE DAY* a pleasant page turner in what could have otherwise been a hard, sad read. Zoe's narration is just the right mix raw honesty, sarcasm and teenage angst.

Aside from friendship, *Maybe One Day* also focused on other issues too that really made me think, such as teenage illnesses, God, and the afterlife. Again, Melissa Kantor took sensitive, touchy topics and addressed them with the sensitivity and sincerity that they so required. I still think about this story, and about the messages it had within it.
